Dublin, Dublin  
Place that I was born  
Where I'm always drawn  
And I sing her praise  
- happy days.  
Dublin, Dublin  
Full of friendly charm  
In her open arms  
There is happiness  
- nothing less.

It's the warmth of the people  
It's the feel of the whole bustling town  
Where everyone's caring  
- they won't let you down.  
It's the style of her buildings  
It's the knowledge of history gone by  
Where writers are nurtured  
Can you wonder why ?

Dublin, Dublin  
Place that I was born  
Where I'm always drawn  
And I sing her praise  
- happy days.  
Dublin, Dublin  
Full of friendly charm  
In her open arms  
There is happiness  
- nothing less.
