Men creatures -  
Sub-human species that they are,  
Vile and loathsome -  
All of them bastards.

These are the ones we need to beware,  
They've no human heart,  
They're devoid of care.

Men objects -  
Users of women throughout time,  
Natural liars -  
Not to be trusted.  
Alarm ! Alarm ! Alarm !

Male persons -  
Bent on seduction as they are,  
Over dinner -  
Telling you nice things.

Seeming to act  
As though they are kind,  
Pretending respect  
As if they do mind.

Male lovers -  
Making you breathless as they touch,  
Kissing gently -  
Saying they love you.  
Alarm ! Alarm ! Alarm !
